

Richard III task 1 - text in performance

Richard III

Act 3, Scene 5, lines 1-71 Act 4, Scene 2, lines 1 - 45
or lines 83 to the end

In the first extract, Richard and Buckingham pretend that they are in danger to persuade the Lord Mayor to support them. In the second extract, Buckingham has stopped helping Richard and Richard refuses to give him his reward.

Imagine you are directing a class performance of these extracts.

What advice would you give the actors playing Richard and Buckingham about to help them show the different relationship between them in the two extracts?

Support your ideas by referring to both the extracts.
